MEMORANDUM FOR: Executive Secretary  
National Foreign Intelligence Board

FROM:

  
Chairman, Scientific and Technical  
Intelligence Committee

STAT

SUBJECT: DCID Review

REFERENCE: Your memorandum, IC/82/3333, dated  
4 February 1982, same subject

In response to the referent memorandum, I feel that DCID 1/3 should be retained. It provides the overall framework in which the DCI Committees operate, as well as certain housekeeping functions (e.g., providing for secretariats) which are not covered in the DCIDs for some of the individual committees. If it is abolished, these items would have to be provided for in some other way, such as repeating them in the DCID for each committee.
